

# VOICE *for* LIFE SONGBOOK

## 13. Sing with me

*Words and music: Ken Burton*

Sing a song of love, sing a song of peace,  
Let the song ring on, and hatred cease!  
With your heart and voice, set your spirit free,  
Come along and sing with me.  
Come along and sing with me.

I can hear you and me  
Sing together in harmony,  
Singing loud, joyfully  
Sing together with me.  
Sing together with me.

Everybody, join the new song! Let it resound and ring!  
Everybody, join the new song, let the whole world sing!  
Echoing o'er hills and valleys, crossing o'er the seas  
Come and join the new song with me.  
Come and join the new song with me.
