

# VOICE *for* LIFE SONGBOOK

## 14. Bring the children

*Words and music: Basil Meade*

*Bring the children to Jesus now,  
Let his Spirit anoint them while they are young,  
Teach them to love him in their days of youth,  
When they're older they'll not turn away from him.*

1. Little ones so dear in his tender care,  
He wants their hearts and lives to share.
2. He's the friend to have as they grow in years  
He'll guide them through all their hopes and fears.
3. As they find true faith in his love they'll stay  
He'll walk with them from day to day.
